Cookies explained

Cookies are a kind of short term memory for the website. They are stored in your browser and enable a site to 'remember' little bits of information between pages or visits. Some of the purposes of installation of Cookies or similar applications may also require the separate consent of the user.

Consent to Cookies

By continuing to use our website, you are giving your consent for Cookies to be installed.

Types of Cookies

Technical Cookies and Cookies serving aggregated statistical purposes

Activity strictly necessary for the functioning of the service : This Application uses Cookies to save the User's session and to carry out other activities that are strictly necessary for the operation of the same, for example in relation to the distribution of traffic.

Activity regarding the saving of preferences, optimization, and statistics: This Application uses Cookies to save browsing preferences and to optimize the User's browsing experience. Among these Cookies are, for example, those to set the language and the currency or for the management of first party statistics employed directly by the Owner of the site.

Other types of Cookies or third-party tools

Some of the services listed below collect statistics in aggregated form and may not require the consent of the User or may be managed directly by the Owner – depending on how they are described – without the help of third parties.

If any third-party-operated services are listed among the tools below, these may be used to track Users' browsing habits – in addition to the information specified herein and without the Owner's knowledge.

Interaction with external social networks and platforms: These services allow interaction with social networks or other external platforms directly from the pages of this Application. The interaction and information obtained by this Application are always subject to the User's privacy settings for each social network. If a service enabling interaction with social networks is installed it may still collect traffic data for the pages where the service is installed, even when Users do not use it.

How can You manage the installation of Cookies?

You can control and/or delete cookies as you wish directly from within your own browser and prevent – for example – third parties from installing them. You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being placed. If

you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work. It is important to note that by disabling all Cookies, the functioning of this site may be compromised. For further information about cookies and how to disable them, please refer to www.allaboutcookies.org.
